

PRESS RELEASE

November 2, 2009

ELECTRONICS RECYCLING - CRRA

Vernon Public Works is informing its residents of CRRA's **Residential Electronics Recycling Collection** to be held on Saturday, November 14, in West Hartford, 9 AM to 1 PM at the Town Yard, 17 Brixton Street. This is an opportunity for residents to dispose of household electronics safely – **AT NO CHARGE**. Examples of residential electronics are computers, monitors, cell phones, TVs, VCRs, copiers, fax machines, printers, radios, and stereos. Help us take home electronic products and their components out of the waste stream. Proof of residency is required.

Paper shredding has been added to these fall collections. You can recycle more than just your old electronic devices – you can recycle those drawers and boxes full of old papers, canceled checks and other items with personal information that you want to get rid of but don't want to put in the trash – AT NO CHARGE.

THESE SERVICES ARE FOR RESIDENTIAL USE ONLY.

For additional information visit CRRA's web site @ www.crra.org.

David R. Tomko, Interim Director
